This is Deepdale

Good evening and welcome to the first of two attractive fixtures at Deepdale this week and the chance for us to hoist ourselves into a strong position in the Third Division.

Tonight's opponents, AFC Bournemouth, and Saturday's visitors, Bradford City, are both fancied to make a big impact this season.

AFC Bournemouth like to play open attacking football and that sort of attitude usually leads to exciting contests here.

Our previous home games have produced plenty of goals and it was very pleasing for us to keep a clean sheet in recording our opening League win against Torquay United.

The biggest disappointment for some time came at Scarborough when we crumbled to defeat in the Rumbelows Cup.

It was a sickener to go to the East coast with a lead from the first leg and lose - despite the fact that we also scored first in the second leg!

We threw them a lifeline with a penalty early in the second half and then again fell foul of a late goal. I have lost count of the number of times we have conceded a goal in the last few minutes. It happened too often last season and seems to be affecting us again this time.

I know all the supporters were upset to see us miss out on the chance of a cup run - after last season's depression at Chester it amounted to another horror story.

But what is done is done and we won't get far moaning and groaning about the past. You cannot afford to let one result, no matter how bad, affect your whole season. We still have plenty to strive for - we are only just entering the first week in September. AFC Bournemouth will provide us with

a useful yardstick tonight - they have re-shaped their squad since last season and will be a tough nut to crack.

The same can be said about Bradford City and it will be interesting to see how we shape up against two of the division's best teams.

In Conversation with John Thomas

Within hours of suffering the horror of a badly broken leg, John Thomas offered this message to those who doubted his chances of a comeback: **DON' T WRITE ME OFF!**

That was almost a year ago following his dreadful first-minute injury in a Third Division tussle with one of his former clubs Bolton Wanderers at Burnden Park on September 18 1990.

It has been a long, frustrating and difficult road to recovery, but John Thomas is now getting very close to a return.

In the last couple of weeks he has come through junior and reserve team outings and the signs are looking good.

"I wouldn't try to say for a minute that it hasn't been hell at times. No footballers enjoy being on the sidelines and a year is a long long time.

"But I spoke with other players who had gone through a broken leg experience soon after the Bolton incident and they told me that keeping bright and cheerful was vital.

"I have tried to carry that through, always looking forward to my first chance of action. I suppose I got a little impatient at times, willing the doctors to give me the go ahead sooner, but, by and large, I have kept things under control."

Undoubtedly one of Preston North End's most popular players in modern times, Thomas is keen to show the soccer world that he still has plenty to offer.

"Being injured has made me even more determined to try and keep playing for as long as possible. Being out of action has made me realise what a great job this is, if I needed reminding.

"I don't mind watching and have seen most of the games so far. My aim is to re-discover my full power fitness, especially

the short bursts of speed, and challenge for a place in the side."

Thomas' contribution to the North End cause during his first spell with the club in the mid-'80s goes without saying, goals galore during the Fourth Division promotion season of 1986-87.

Then, after the masterstroke of re-signing him from West Bromich Albion in February of 1990, John Thomas scored some priceless goals to blow away the threat of relegation.

His next goal for PNE will bring the house down...!

Refreshing the Memory with Mike Payne

Honours are pretty even between North End and A.F.C. Bournemouth since their first clash, a Division Three match in September 1974. Preston North End won well that day although their cause was helped by A.F.C. Bournemouth having two players sent off. Bobby Charlton was amongst the scorers as Preston North End Chalked up a 5-2 win at Deepdale. In the return match that season Preston's appalling away record meant that A.F.C. Bournemouth were able to end a run of six games without a win by gaining a 1-0 victory. Les Parodi scored the decisive goal in the 45th minute. That was the first win under the reign of new manager John Benson and he was delighted to win the battle of the player-managers over our Bobby.

On October 30th 1982 Steve Elliott was the villain as far as Preston North End were concerned. In the match at Deepdale he missed a 70th minute penalty which Ian Leigh saved and A.F.C. Bournemouth held on for another 1-0 win. This time Tom Heffernan was the match winner. The return at Dean Court that season was a nightmare for North End. After a 4-0 drubbing relegation looked odds on, but some battling end of season performances rescued them. The game marked the first for A.F.C. Bournemouth under Don Megson's managership.

TRIVIA

David Jones, Chris Hunter and Matthew Lambert all made their full North End debuts in matches against AFC Bournemouth
CORNER

The first match of season 1983-4 saw Preston North End again make the long trip to the south coast. Two young supporters, Tony Dewhurst and Brendan Meeks will always remember this game. They had spent two weeks walking from Preston to Bournemouth in aid of a special charity and they, more than anyone were delighted with Preston's 1-0 win. Graham Houston's first-half goal was enough to settle the issue on the day.

TRIVIA

In their last ten meetings North End have used eight different goalkeepers against AFC Bournemouth with only Peter Litchfield (3) making more than one appearance
CORNER

The double was completed when A.F.C. Bournemouth made the return trip to Deepdale on January 14th 1984. On a very windy day Preston North End won 2-0 and this time Ian Leigh was beaten by a penalty with Jonathan Clark scoring. That was the second of two late goals which had been the reward for a lot of hard work.

Later that year, but of course the following season, North End were quite relieved to only lose 2-0 at Dean Court. Why, you might ask? Because in their previous nine games Preston North End had let in a staggering 33 goals. That was almost an average of four per game so you can now understand the relief at this latest defeat. Mind you, the seriousness of the situation was in the fact that this was Preston's eighth consecutive defeat. It could have been worse but Peter Litchfield saved a penalty from Robbie Savage.

Two fine goals from Mike Farrelly and David Johnson enabled Preston North End to take revenge the following March but their 2-1 win was followed by some bad performances and relegation to the Fourth Division was the final outcome.

On renewing hostilities last season neither side could find a goal in the two games.

TONY PULIS (First Team Coach) Following a playing career with Bristol Rovers, Newport County and Hong Kong side Happy Valley, the Welshman came to Dean Court in the summer of '86 and played an important role in what was to become the promotion season. During the summer of '89 moved to Gillingham but injuries prevented a successful playing spell, returned to Dean Court in summer of 1990 taking over role as Player/Coach.

VINCE BARTRAM (Goal-keeper) 23 years old, the former Wolves goalkeeper moved south in the summer of 1991 costing £65,000. Limited first team opportunities at Molineux prevented the young 'keeper from gaining experience so went on various loan spells including Blackpool.

In December 1986, this strong 6 foot player joined A.F.C. Bournemouth for £30,000 where he settled immediately, although a long term injury ruled 'Willie' out of action last season, he is now on the verge of returning to first team duty.

ALEC WATSON (Defender) Liverpool born and bred, broke into their first team after originally joining the Club on Y.T.S. forms. The 23 year old made his A.F.C. Bournemouth debut in January 1990 and has remained ever present until the season's end.

In August 1981 the former England under 23 international moved to Brighton, then after 127 league outings for the 'Seagulls', he moved along the coast to Southampton in March 1985. Over 200 league appearances were made for the 'Saints' for who he also served the role as Captain. The 37 year old midfielder signed for A.F.C. Bournemouth in July 1991.

PAUL MITCHELL (Defender) Local lad who has progressed through the ranks to the first team, the 20 year old made his league debut last August at Brentford. Only managed one further appearance before injury cruelly ruled him out for the whole term.

SEAN O'DRISCOLL (Midfield) One of our longest serving players, Sean was born in Wolverhampton. He first joined non-league Alvechurch before starting his league career with Fulham in 1979. After making over 140 league appearances for the 'Cottagers' and capped 3 times by the Republic of Ireland, he joined A.F.C. Bournemouth in 1984. Injury kept Shaun's number of appearances limited to 13 league outings last season.

MATT HOLMES (Midfield) Born in Luton, Matt came up through the ranks of the Youth Team. Started to break into first team football making 2 appearances during the 1988/89 season. Has now made himself a regular place in the first team, appeared in 38 league games last season.

Reserve Round Up

PONTINS LEAGUE - DIVISION TWO WEDNESDAY, 21st AUGUST, 1991 - AT TURF MOOR BURNLEY

Burnley Res: (0) 1 North End Res: (0) 0

Alford 67th minute

Attendance: 647

Programme: Single A4 Sheet (5p)

BURNLEY RESERVES:-

Williams: McKay, Hardy, France, Howarth, Hamilton, Mumby, Sonner, Lancashire, Alford Harper.

Subs: Wallace for Lancashire (68th minute)

Lawson: Not used

NORTH END RESERVES:-

Kelly, Williams, Siddal, Eaves (Capt), Hughes, Lambert, Ainsworth, Kerfoot, Thomas, Greenwood, Ashcroft.

Subs: Moylan for Ainsworth (76th minute)

Christie for Ashcroft (79th minute)

The reserves first game of the 1991/92 season will be remembered as John Thomas' first full game in his battle for full fitness since breaking his leg early last season. It certainly will not be remembered for the quality of its football. A mediocre game, with an uninspiring struggle in mid-field, resulting in very few goal efforts. North End had three worthwhile first half chances all being wasted by Greenwood (10th minute) and Kerfoot (33rd/39th minutes), but credit must go to North End's Williams who twice cleared to safety 19th and 20th minute goal-mouth incidents.

Steve Harper—In action against PNE for Burnley Reserves

An improved second period brought about a larger input of endeavour into the game, Kelly saved well at the foot of his left-hand. Post (54th minute), but was left helpless when Alford (67th minute) unmarked easily scored from close range.

Thomas had a 77th minute chance which he spurned when he tried to chip over the advancing goalkeeper, an outstanding display by trialist Ainsworth on the right-hand side of mid-field was cruelly ended (75th minute) when the Clarets Club captain Hamilton committed an unprofessional knee high tackle on him - A similar foul brought him a fully deserved booking (89th minute).

PRESTON SCHOOLS enter the Guild season (1991-92) with more than the normal amount of enthusiasm because of the tremendous backing promised by a variety of sources and some new initiatives.

As regards the latter the Association is committed to three new competitions. The under-19s will be competing for the Regional cup under the guidance of Geoff Snailham (Preston College) and John Murphy (Cardinal Newman College). The under-12s will be entering the E.S.F.A./Macdonalds individual schools 5-a-side competition and for the first time ever an under-16 Girls cup will be played for with the finals at Deepdale during the P.S.F.A. finals. Already nine schools have entered the 5-a-sides: Ashton, Fulwood, Longridge, Our Lady's, Broughton, Corpus Christi, St. Cecilia's, William Temple and Ribbleson Hall, and eight have entered the Girls' Tournament: Our Lady's, Corpus Christi, Tulketh, Fulwood, Broughton, William Temple, Longridge and Ashton.

Local industry has responded well to the successes of recent years and is backing the association during Guild Year in the following ways: **THE RAILWAY HOTEL**, Butler St., Preston is sponsoring the under-15 team in its quest for the E.S.F.A. Cup; **BRITISH AEROSPACE** is sponsoring the Under-14 team; and **BRITISH NUCLEAR FUELS** is sponsoring the P.S.F.A. Cup competitions. The association cannot thank these organisations enough for their generosity.

The association is still seeking any information, medals or photographs of its historic past, particularly of the Ord Cup, for display in an exhibition to be held at Our Lady's High School and opened during Guild Week. Any offers to Dick Clegg (PRESTON 728641-home or 726441-school).

Programme a Hobby

COLLECTING FOOTBALL PROGRAMMES

Part 3 of a series by John Litster, Editor of "Programme Monthly" magazine

WHAT TO COLLECT

Every Saturday of every year, from August to mid May, there are hundreds of senior football matches staged in the UK. Just about every one will have a programme issued, so the sky is the limit as far as items available for collection. Once the "collecting bug" has bitten, the appetite for adding programmes to one's collection will be insatiable, but there is a limit on any new collector's budget, so specialisation is essential at an early stage of a programme collection.

We will discuss in depth many of the more popular specialities later in this series, but this week we will concentrate on listing the options available. The most obvious, and most popular, is collecting programmes of a favourite team. The starting point would be immediate, and henceforth an attempt should be made to obtain every home programme, with issues from matches not attended in person either obtained from the club shop or the club office. Programmes from away matches is another popular collecting set, and for both home and away, you could go back to a certain date and attempt to collect back numbers. Those of a more recent vintage may be obtained from a club shop, or a local programme dealer. The starting date can be variable - 5 years ago, 10 years, from the date of the collector's birth, 1970, 1960, post-war and so on - another example of programme collecting's flexibility to suit any level of interest or any budget.

One-per-club is an interesting early speciality, an attempt to obtain one programme from every English League Club (or Scottish League, or both). Established collectors develop this into a "one per club per season" collection. Those with an interest in non-league football can obtain a great deal of enjoyment from building a "one per club" collection out of the thousands of different non-league clubs who have at one time or another issued a programme.

Big match issues is a popular speciality and allows collectors to associate with the glamorous, big occasion matches in football history. Cup finals, semi finals of either a domestic or European variety, and/or Internationals are obvious major categories for this type of collection.

How to obtain programmes to expand early collections in which specialities have been identified will be the subject of our next article.

**Programme Monthly is available from 14 Raith Crescent, Kirkcaldy, Fife, KY2 5NN, priced £1.30 plus 30p postage.*

TRAVEL SICK

Since the last war, AFC Bournemouth have had little joy on visits to Deepdale with just one win and one draw from five visits. Their only success came via a single-goal victory back in 1982-83. Our best win over the Cherries was a 5-2 scoreline in 1974-75.

ODDS ON

Third Division Championship odds read: West Bromwich Albion (11-2), Bolton Wanderers (9-1), AFC Bournemouth, Stoke City (10-1), Birmingham City (12-1), Bradford City, Brentford (14-1), Huddersfield Town, Hull City, Wigan Athletic (16-1), Darlington, Leyton Orient (20-1), Bury, Exeter City, Peterborough United (25-1), Fulham, Preston North End, Reading, Shrewsbury Town, Stockport County, Torquay United (33-1), Hartlepool United, Swansea City (40-1), Chester City (66-1).

The top two clubs in Division Three will gain automatic promotion together with ONE from the next FOUR placed clubs via the play-offs. The bottom four clubs will be relegated.

KIDD'S STUFF

Brian Kidd, who had a short spell as Manager of Preston North End during the 1985-86 season in Division Four, has been appointed number two to Alex Ferguson at Manchester United.

Kidd, now 42, started his career at Old Trafford as a schoolboy, went on to European glory and also played for Arsenal, Manchester City, Everton and Bolton Wanderers.

He teamed up with Tommy Booth in a new-look Preston North End management team six years ago, took over when Booth left and then resigned three months later in the March of 1986. More recently he has been United youth team coach.

LONG WEEKEND

A special long weekend break is available to any Preston North End fans intending to attend the Third Division away fixture at Swansea on Saturday September 14.

The itinerary reads: Friday 13th down to Wales using own transport followed by evening meal at Penybont Inn, Llanfynydd. Saturday 14th breakfast followed by organised mini-bus trip to Swansea. After a mini tour of Swansea a pre-match lunch has been arranged. Then it will be on to the game with centre stand tickets supplied. After the match return trip to Penybont Inn for evening meal. Sunday 15th breakfast followed by return trip to Preston using own transport. The weekend package comes in an all-inclusive £90 per person and bookings can be made through Colin Grace on 0558 668292.

The friendly game against Blackburn Rovers in 1902 was to celebrate Preston Guild. Wilcox and Pearson scored the North End goals.

Hat tricks on this date were scored by Percy Smith (1904) & Tommy Roberts (1921).

One of the three goals against Bury in 1974 was scored by Bobby Charlton, his 200th league goal.

IAN RIGBY

In this week's Football Beat I would like to take a little time to explain to you the nature of the building you see being constructed on the terraces between the Fulwood End and the Pavillion Paddock.

This is to be a new Police Control Box at the ground. In light of the Taylor Report into the Hillsborough Stadium Disaster the question of Police Control and communications has had to be addressed.

North End are not alone in undertaking projects to develop new police control facilities. At present the police control match day operates from one of the executive boxes but it is felt unwise that they continue to do so, as in an emergency situation it is possible that the control box itself would have to be evacuated.

A police control box houses communication facilities and Close Circuit Television equipment. It is a place where the match commander can easily see what is taking place within the ground and use as a base to control ordinary police activities or any untoward incidents that may occur. The advantage of the new control box is that it is a stand alone structure, less likely to be affected in an emergency situation.

The Football Ground Improvement Trust who are expected to contribute heavily to the cost of the control box have agreed to purchase a considerable amount of Close Circuit Television equipment to update and improve the facilities available to the police on match days within the ground.

We hope you understand that the development of the new control box is a necessary improvement designed to ensure your safety at matches.

NEIL WALSH.
INSPECTOR.

Collectors Corner

This evenings featured item is a single sheet programme covering a pre-season friendly against Liverpool which attracted an attendance of 11,314.

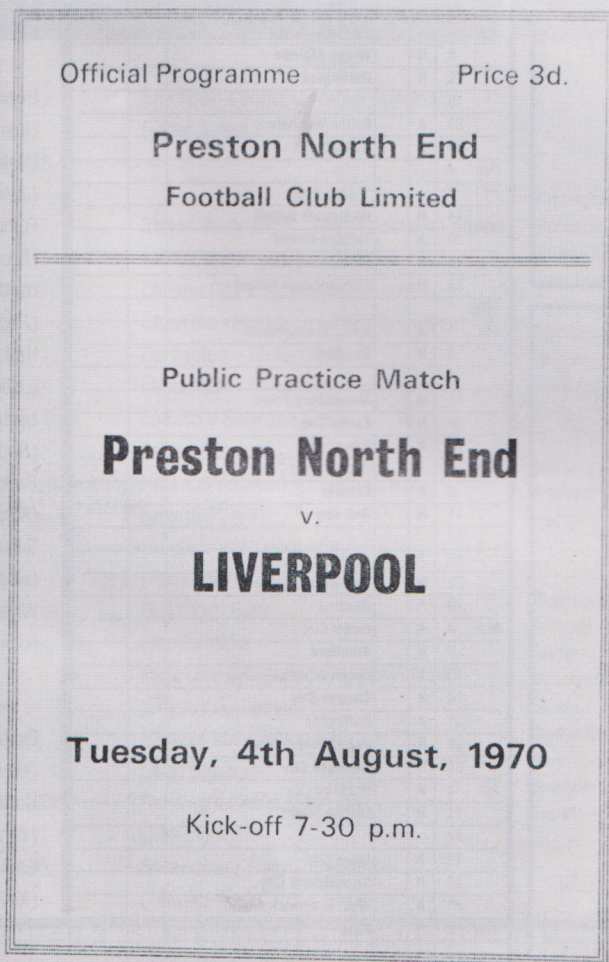

This game was one of nine friendly games Alan Ball Senior arranged for the Preston first-teamers alone during the 1970/71 season, followed by a two match tour of Holland for games against Groningen and Vitesse.

The Liverpool fixture obviously came a little too soon for Preston North End as the team Alan Ball had inherited were outclassed, eventually losing 5-0, with goals coming from Peter Thompson (2), Emlyn Hughes (2) and Alun Evans. In fairness however, the match report

for the game was not too scathing of Prestons efforts and did mention that both Irvine and Spavin went close for Preston with Gemmill and David Hughes also being unlucky with headers. This fixture shows the importance of not reading too much into pre-season results, for as we all know, the 1970/71 season went on to be a rare moment of success at Deepdale with the Third Division Championship being lifted by Preston North End in May 1971. Was that really our last trophy?

To buy the featured 3d single sheet nowadays could cost you in excess of £5 on a dealers offers list!! What's the difference between a pre-season friendly and a public practice match?
